PRIVACY POLICY

The data controller of your personal data is Lingua IT Srl with registered office in via Emilei, 24 Verona / Italy

We will process your data in order to manage and provide the service requested by you and if necessary we will transfer your data to parties outside our organization who support us in services. You can request the complete list and contact details of external parties to whom we rely to process your data. The provision of these data is to be considered mandatory in order to establish the commercial relationship. The duration of the treatment is linked to the assignment received but we can keep some of your data for legal obligations or to send commercial proposals and promotions (newsletter). The complete list of your rights is available at <https://eur-lex.europa.eu/> in the text published for each European language of the Rules 2016/679 to the articles 15, 16, 17, 18, 20 and 21. Publication of photos and images. We request explicit consent and the authorization to publish on our websites and web sites (Facebook) photos or images that can portray them.

This treatment is optional, does not affect the service requested and can be revoked at any time by your simple communication via email to info@linguait.it.
